PRESTIGE ECONOMICS

The world's leading financial market research firm

RETAINER SERVICE

Prestige Economics is one of the most accurate market forecasting firms in the world. Our commentary is unbiased and insightful, and our forecasts are award-winning and accurate. We help clients understand what to expect from markets to defensively and aggressively plan ahead. Let our insights and leadership inform your worldview.

RETAINER SERVICES

Prestige Economics offers written reports and support in the form of a Retainer Service:

1. **Ad Hoc Support.** The most important part of our retainer is our ad hoc support. Client employees may email Jason Schenker personally for questions regarding Prestige Economics commentary and/or forecasts.

2. **Quarterly Outlook Calls.** Prestige Economics conducts quarterly outlook calls with Clients, and the focus will be on the most relevant and critical financial market issues for the Client.

3. **Written Reports.** Prestige Economics Written Reports that will be provided to the Client include Monthly, Weekly, Critical Indicator, and Special Reports.

4. **Prestige Economics Benchmarking Reports.** Unlimited Client recipients of quarterly Prestige Economics Business Activity and Risk Benchmarking Reports, provided someone from the client's organization participates in the Benchmarking.

5. **Enterprise-wide License.** Prestige Economics Written Reports, Benchmarking Reports, and Ad Hoc support will be provided to Client recipients on an Enterprise wide basis.
